

## Our Lady of Grace School A Great Place to Go to School

Good friends are very happy to be back in school so they can be together.

Teachers and students look forward to working together for the new school year.

Everyone is invited to come to school the day before the doors officially open. This allows the students to bring in their new supplies. It also lets the teachers and students meet and greet each other. It is a very popular time. Many families take advantage of this day.

The year promises to be very successful! Everyone is ready to begin: our students, parents, teachers, and staff.

*Happy New Year!*
