

## 2011/2012 Enrichment Programs

The following is a list of the Enrichment Programs being offered for the upcoming school year. Please complete the attached registration form for each program. Each program must be paid for individually. In the event that a program must be cancelled, your check will be returned. Checks should be made out to Our Lady of Grace School. The programs will begin at 3:00. Most programs are an hour in length; however some programs will run longer than an hour - identified by an “\*”. Each registration form indicates the time for the program.

All registrations must be received by **Thursday, August 25<sup>th</sup>**. The registration forms contain the minimum and maximum enrollment numbers. In order for the programs to be offered, we must receive the minimum numbers. Once a maximum number is reached the program will be closed. Register early to avoid missing out on the fun!

***Note: All middle school students must enroll in at least one Enrichment Program.***

## What is the Club Invention program?

The Club Invention program is an exciting experience for children in **grades three through five** in which they are immersed in activity-oriented adventures that enhance their creative problem-solving skills. The Club Invention program supplements and reinforces the traditional school day by providing a safe, creative outlet for extended learning.

**Invest in your child's future** by augmenting his or her education with **STEM (science, technology, engineering, and math)** activities disguised as FUN!

- Design a miniature golf course!
- Assemble a humongous tower of shaving cream!
- How slow can you go? Create the parachute that's last to land!
- Make a paperclip move through a maze without touching it!
