

Notre Dame Preparatory School Visits Our Lady of Grace School

On December 7th thw Concert Band, String Orchestra, Concert Choir, and the Chamber Singers from Notre Dame Preparatory School came to Our Lady of Grace to share their Christmas Concert with the school children. As soon as the girls got off the bus they came in and started to warm up.

The ladies preformed for an hour and everyone present truly enjoyed the instruments and songs sung to bring in the Christmas season. We hope OLGS does not have to wait too many more years before they come back to visit us.
