

School at Mass Our Lady of Grace School

Every month while school is in session, Father Sam says mass for the entire school from kindergarten to grade eight. This year our first mass was on September 13th. During the most blessed part of the mass, when Father consecrates the Blessed Sacrament, he invites the students with birthdays during the month to come a circle the altar. This is always very special for the children involved.

Mrs. LuAnn Ensor, kindergarten teacher and Eucharistic Minister, often helps with giving out communion to the students and staff at OLGS' School-at-Mass once a month. Each of the younger students in kindergarten, first and second grade have been assigned a prayer partner. The sixth grade students work with the kindergarten class. The partners go to mass together. They worship together by praying, singing, and going up to communion. The partnership continues between the prayer partners as the students travel to seventh and first and then finally eighth and second. This relationship continues to build through the three years. Often the prayer partners work on other activities such as parties and arts and crafts. This matching up of the older and younger students gives a "family feel" to our school. The older mentoring the younger. It is a very fine program with many benefits.
