

## Our Lady of Grace School A New Beginning 2011 - 2012

Our Lady of Grace School opened its doors on August 29<sup>th</sup> for the new school year 2011-2012. Moms and dads said good-bye and good luck while the students gathered around their teachers and teacher assistants.

The excitement of seeing friends again after the summer break brought lots of smiles. Some of the children brought their book reports from their summer reading. The discussion of who had electricity at home was also part of the conversation.

The middle school met as a team to discuss two new acronyms. An acronym is formed from the initial letter of each of the successive parts of a compound term. The young men and women at OLGS will center their thoughts and actions on WWJD (What Would Jesus Do) as well as JOY (Jesus, Others, and You). The teachers explained each term and how these acronyms will have an impact on the team's year.
